v. Media/Marketing Director Report:

vi. Directors' Reports

Baseball:

- All baseball teams start games this week. Hoping we start out with some wins!
- Baseball volunteers fixed the batting cages. We ripped down the fencing, purchased 2 new nets, and split the cage into 2 smaller cages. Each cage is approximately 10 ft wide. This took hours of volunteer time and money.

- Additionally we are adding a turf mat 10x20. That should be completed next week depending on shipping.
- Baseball can begin to sign out cages next week for practices once the location is added into team snap.
- We are still thinking of adding an additional single lane cage like the one at Lyon valley. That could possibly happen towards the end of the season. Lyon valley net may need to be replaced first.
- Lastly, new equipment is being replaced and then is going missing just as fast.
- New field items are purchased and stolen. Batter box templates, rakes, bases, field liners, catchers gear. All new have been purchased over the past year and stolen within days. I am looking into chaining everything up with code locks.

Suggestion to reach out to Jim about contacting rec commission in regards to missing field equipment

Basketball:

Cheer:

- Registration will be opening May 1st for the 2025 Football/Comp season
 - Practices will begin 7/28
 - Looking into moving practices back to this side of the district to better accommodate the families that have kids in both football and cheer since practices are typically the same nights. But I need to know what spaces we have available that we could use (with some kind of bathroom).
 - Also looking at 3 or 4 local competitions throughout November, but trying to avoid Playoff/Championships for Football, so I haven't decided which ones we will be doing yet.

Field Hockey:

- registration opening soon
- hosting opening day for field hockey August 24! EXCITING we have not had a home game on our fields in a long time.

Football:

- opened registration and closed registration. Full at all levels
- Rookie 21, Competitive Flags 33, JV 33, Varsity 33.
- We do have a waiting list
- working on setting up a speed camp at the rec fields for grades 1-6 in June, will be run by outside gym
- 2 day football camp in July

Golf:

-
