Lacrosse- Boys:

- **Goals:** Goals are currently stacked up and to the side out at the Weisenberg Fields. We are waiting on the community member's barn to be available for winter storage. When goals were stacked up, there were two that had the nets cut clean out of them. (Not sure if this was from the landscaping company or someone else.). There were several goals that are no longer salvageable. They have been set by the portalettes at the fields and can be trashed or picked up for scrap metal.
- **Skills and Drills:** For the past two years, there has been a weekly skills and drills held at St. Lukes The Rink; however, we were not able to secure the Rink as it was already booked, so there will not be any Skills and Drills for lacrosse. We will be attempting to secure indoor space for the 25/26 winter season.
- **Box Lacrosse:** In trying to provide a winter lacrosse opportunity for the boys, an email was sent out asking if there was any interest in a Box Lacrosse League. There were several kids who showed interest, so there will most likely be a team for the 3/4 and 5/6 level. This will not be run through NYAA, but the teams will be comprised of mostly Northwestern athletes.
