## Cheer

- No Report

## Softball

- Fall Softball registration closed on 7/15
- We will have two 10U teams in the Parkland League
- We had a few girls sign up for 8U, 12U, 14U and I worked with our Parkland League President to try and find them teams!

Question:

Can softball opt out of having our fields dragged? Our coaches and parents will take care of the fields. A lot of our base plugs get destroyed in the process. *Can not opt out of field maintenance. Baseball and NYAA will cover the remaining fees to maintain the fields.*

## Lacrosse- Boys

- An email was just sent to the Boys Lacrosse 2023 program announcing an upcoming Dine and Donate at Olde Homestead for this Sunday, July 30th 11:00 to 7:00 P.M. In addition, it was announced that there will again be Winter Skills and Drills at St. Luke's dates/times to be determined.
- I'm also looking to enhance our social media, so I am wanting to create an Instagram account that links to our Facebook page. I'm not sure what the best way to do that is; in addition, I'm not sure how to edit our Northwestern Lax webpage.
- Updates on turf usage?

## Basketball:

## Football:

- Current numbers heading into the first day of practice Monday 7/31
  - Rookie – 24
  - Competitive Flag – 31
  - Junior Varsity – 33
  - Varsity – 29
  - Total – 117
- Our football gear store with Corporate Images has done well heading into close 7/26. This was an unplanned fundraiser in the budget which has netted nearly \$800 so far. CI has gone to new software this year which allows them to offer a more diverse and robust product line. It is also tied to inventory, which will help cut down on potential issues with order quantities. We'll see how things go over the coming weeks with the orders, but so far so good.
- We are losing a home game in September due to a program not being able to field teams at any level. The league potentially could change the schedule to make things whole, but as of now it looks like we will have a bye and one less game. This will be lost concessions revenue, but the kickback on merch along with not paying stadium/food costs for that day should cover the gap.
