- 14U:
 - Continue to play in tournaments. Consistently making the playoff but have not “won it all.”
 - One more tournament remaining on May 11 in York, PA.
- 15U:
 - Completed their season this past weekend.
 - A very successful year competing hard to make the playoffs in a few of the tournaments.
- End of year party Wednesday, April 24 to close out the season. Receipts to be submitted.
- Looking for coaches for next year. Little interest, program may need to cut back on sessions for recreational, particularly in Fall with HS seasons running concurrently that causes coaching conflicts.
 - Would like to acknowledge the retirement of Keith Nagle from coaching (no relation), who was the founder of the volleyball program brought into the NYAA umbrella of sports. He also served on the Board years ago. Some of his past players from his first teams have returned to support the program. We wish him the best and hope to see him periodically on the courts. He is always welcome at our practices.
- Trying to possibly organize some youth “pickup” outdoor grass/sand volleyball nights over the summer at Ontelaunee or the rec fields. Would be nice to find someone to organize that to see if we have any success. If we can do it, we would discuss opening it through NYAA next summer or something.
