x. New Business

- *From NWLHS SOCCER: I am treasurer of the Northwestern Lehigh HS Boys Soccer Booster Club. We are in the process of planning for the upcoming season. The past couple of years, the team/Booster Club has hosted an NYAA Night. The NYAA teams are invited to watch a game and participate in small sided games during half time. The Booster Club pays for the players' admission and a hot dog/juice. As part of the evening, we have a raffle. All funds earned at the raffle help offset the cost of the evening and any profit will directly benefit all JV and Varsity players. To this end, we are asking for donations for the raffle. We want to promote local businesses that are also soccer based. We are interested in supporting NYAA -- especially since the vast majority of players on our roster are former members of NYAA. Would you be willing to donate apparel/swag, discounted registration, or anything that would appeal to school aged children? We appreciate your consideration.*

- *Amy has been in contact with Neffs Playground in North Whitehall Twp.*
 - *Currently there is a baseball field, playground equipment, and basketball court.*
 - *We would lease it to the organization at a very minimal fee (anticipated @ \$1/yr.). The organization would be responsible for the upkeep/maintenance and insurance coverage.*
 - *The property is adjacent to the bank and you are welcome to come and view it.*
- *No Bachelor Road pavilion use on 8/3 and no park use on 9/14*
